

Protocol for Clients Coming to CFCE Office During COVID-19

We're so glad to see you! Help us keep everyone healthy!

Please review the following instructions and let us know if you have any concerns or questions.

1. Please check your temperature if you feel you may have a fever and let your therapist know if you are experiencing any sick feelings or symptoms. (We'd be happy to reschedule your appointment at no charge if you or someone in your household is unwell.)
2. Please complete the WAIVER (one time) and complete the HEALTH CHECK FORM (prior to every session).
3. Use the restroom prior to coming to your appointment and bring your own water bottle if desired.
4. Wait in your car outside in the parking lot (do not come into the building). Your Therapist will call or text you to start the session.
5. Wear your mask when you enter the building or sit on the porch.
6. Please use hand sanitizer (or wash hands if necessary) just before each session.
7. Keep at least 6 feet distance between you and your Therapist.
8. Try not to touch your face and refrain from touching things in general while in building.
9. If you are bringing a child, please have your child adhere to these guidelines.
10. Take precautions to minimize exposure between sessions, and do not hesitate to contact your Therapist if you feel uncomfortable or if you might have been exposed to COVID.

Your therapist and all the staff at CFCE wish you continued good health. We are happy to work together to ensure that we all stay safe.
